

Opencart PayBy Plugin Overview

1 Description

Opencart plugin for user to purchase items using PayBy

1.1 Requirement

1. Support AED for currency

The screenshot displays the OpenCart admin dashboard. The top navigation bar includes the OpenCart logo, a user profile for 'John Doe', and a 'Logout' button. The left sidebar contains a 'NAVIGATION' menu with various options: Dashboard, Catalog, Extensions, Design, Sales, Customers, Marketing, System (highlighted), Settings, Users, Localisation, Store Location, Languages, Currencies (highlighted with a red box), Stock Statuses, Order Statuses, and Returns. The main content area is titled 'Currencies' and shows a breadcrumb trail 'Home > Currencies'. A blue informational banner states: 'You can find a full list of ISO currency codes and settings [here](#).' Below this is the 'Edit Currency' form, which includes the following fields:

Field	Value
Currency Title	UAE Dirham
Code	AED
Symbol Left	A.E.D.
Symbol Right	Symbol Right
Decimal Places	2
Value	3.67250000
Status	Enabled

1.2 Installation

1. Set up the Opencart
2. Log into the admin page
3. Press Extension > Installer
4. Upload the "payby.ocmod.zip" file
